Practice, Open-Wheels 500 Mile Race

Daily Preview

Welcome to practice day five for the 2020 Open-Wheels 500 Mile Race presented by Mitchell Transmissions! With Qualifications Weekend behind us, congratulations to all drivers who made it into the prestigious field of 33. We are excited to welcome this new group of 33 drivers to the stage as you aim to win the second Open-Wheels 500, plus our three alternates.

If you are receiving this communications message but did not qualify for the Open-Wheels 500, that means you are on the entry list for the Veterans 100 and/or Pit Stop Competition – and it is great to have you still! Please note, though, that it would be appreciated if you do not enter Open-Wheels 500 practice sessions for the rest of the event – your times will not be counted in the official results in those sessions moving forward and if you enter a session you will be removed.

Today we will feature one eight-hour practice session, running from 1:00 to 9:00 PM ET. Furthermore, there will be an airing of *Today at the 500* this evening – from the normal 8:00 PM to 9:00 PM ET time slot. The next episode of *Today at the 500* will air at 8:00 PM ET on Thursday, November 14.

The weather for today will be the weather you see throughout the event – 78 degrees and partly cloudy! We will utilize iRacing default weather conditions for all sessions in the Open-Wheels 500, but we will feature Dynamic Sky for race day itself.

We will have complete coverage of all on-track activity for the Open-Wheels.com 500 Mile Race, plus photos and additional special features as the month of November continues. Good luck to all and I will see you later today!
