## Friday, November 13, 2020 Media Day and Veterans 100 Qualifications

### Daily Preview

Welcome to Media Day for the 2020 Open-Wheels 500 Mile Race presented by Mitchell Transmissions! Today will be spent primarily on interviews for pre-race coverage, the official yearbook, and the pre-race show's pre-recorded interviews.

The majority of today's Media Day discussion will be held in the official Open-Wheels.com Discord server – if you have not yet joined the Discord, please do so. It will be extremely helpful for today's festivities.

But wait – we still have on-track activity today! Two hours of qualifications for the Veterans 100 will run from 8:00 to 10:00 PM ET where drivers will have the chance to make a max of two qualifications attempts – with each attempt having one out lap, then two timed laps averaged together. Qualifications will be shown live by RaceSpot TV.

The weather for today will be the weather you see throughout the event – 78 degrees and partly cloudy! We will utilize iRacing default weather conditions for all sessions in the Open-Wheels 500, but we will feature Dynamic Sky for race day itself.

We will have complete coverage of all on-track activity for the Open-Wheels 500 Mile Race, plus photos and additional special features as the month of November continues. Good luck to all and I will see you later today!

## Notes from Race Control

Today's qualifications will begin at 8:00 PM Eastern and will last for two hours. Please be respectful to your competitors in all on-track sessions and refrain from altercations, disruptive or abusive language, and unsafe driving.

When entering the track for a qualifications run, please use the pit out access roads between Turns 1 and 2 before merging onto the racing surface. When exiting the car after a practice run or an accident, please remove car from the racing line (if possible) and exit the car in an expedient fashion.

### **PLEASE REVIEW THE GUIDELINES FOR VETERANS 100 QUALIFICATIONS BELOW**

This information comes directly from the OWMS Rule Book. Rule locations are **bolded**.

**10.1.3.4.** One round of single-car Qualifications for the event will be held on Friday, November 13, 2020 from 8:00 to 10:00 PM ET.

Drivers will be allotted two total qualifications attempts that will be comprised of one untimed out lap, then two timed laps that will be averaged for their final speed.

Track limits from Open-Wheels 500 Mile Race Qualifications are in effect for Veterans 100 qualifications. Drivers are not allowed to use access roads or venture below the white line in the short chutes during qualifications.

Any time a driver exits the pit lane for a qualifications attempt, they will be changed with an attempt – regardless of attempt outcome.

If a driver completes their first attempt and wishes to make another attempt, their previous time will be withdrawn upon the start of the second attempt. Request to re-qualify procedures from the Open-Wheels 500 will be utilized.

Once today's session has been completed, the results will be posted on the Virtual Paddock, Media Site and Discord server.

Drivers who have questions or concerns are instructed to contact Race Control at [RaceControl@Open-Wheels.com](mailto:RaceControl@Open-Wheels.com) or by contacting Tanner Watkins directly in the Open-Wheels.com 500 Mile Race Discord server.
