Practice, Open-Wheels 500 Mile Race

Daily Preview

Welcome to day two of practice for the 2020 Open-Wheels 500 Mile Race presented by Mitchell Transmissions! With one day of practice in the books, I look forward to seeing teams test and tune for another great day of on-track activity.

We have just a couple events planned for today – the first eight-hour practice, which will start at 1:00 PM Eastern, and the second edition of *Today at the 500*, our evening streaming show covering the Open-Wheels 500 Mile Race. Tonight's episode will go live at 8:00 PM EST at <https://open-wheels.com/tv>.

The weather for today will be the weather you see throughout the event – 78 degrees and partly cloudy! We will utilize iRacing default weather conditions for all sessions in the Open-Wheels 500, but we will feature Dynamic Sky for race day itself.

We will have complete coverage of all on-track activity for the Open-Wheels.com 500 Mile Race, plus photos and additional special features as the month of November continues. Good luck to all and I will see you later today!

Notes from Race Control

Today's practice will begin at 1:00 PM Eastern and will last for eight hours. Please be respectful to your competitors in all on-track sessions and refrain from altercations, disruptive or abusive language, and unsafe driving.

When entering the track for a practice run, please use the pit out access roads between Turns 1 and 2 before merging onto the racing surface. When exiting the car after a practice run or an accident, please remove car from the racing line (if possible) and exit the car in an expedient fashion.

Once practice has been completed, the results from today's session will be posted on the Virtual Paddock, Media Site and Discord server.

Drivers who have questions or concerns are instructed to contact Race Control at RaceControl@Open-Wheels.com or by contacting Tanner Watkins directly in the Open-Wheels.com 500 Mile Race Discord server.
